PROFESSIONAL SUMMARY

Aspiring Machine Learning and Artificial Intelligence Researcher with a background in Computer Science and Engineering and practical experience in web development. Proficient in Python, C, C++, Java, HTML, CSS, and JavaScript, with a strong passion for machine learning, artificial intelligence, and research-driven innovation. Eager to apply technical, analytical, and problem-solving skills to contribute to advanced AI solutions and research projects.

TECHNICAL SKILLS

- Programming Languages: C, C++, Java, Python
- Web Development: HTML, CSS, JavaScript
- Tools & Software: Microsoft Word, Excel, PowerPoint
- Other Skills: Photo Editing, Web Development, Technical SEO
- Languages: English (Fluent), Bangla (Native)

PROFESSIONAL EXPERIENCE

Web Developer 2021 – Present

Rank and Trend | 19 Park Road, Lytham St Annes, FY8 1PW

- Led a team of 3 developers in building and deploying web applications across multiple client projects
- Collaborated with the SEO team to implement technical SEO solutions, improving site performance and search visibility
- Communicated with clients and stakeholders in a professional and clear manner.

EDUCATION

BSc in Computer Science Engineering 2022 – Present

Green University of Bangladesh | CGPA: 3.33 / 4.00 (8th Semester)

Higher Secondary Certificate (HSC) 2018 – 2020

Bhawal Badre Alam Govt. College, Gazipur | Science | GPA: 5.00 / 5.00

Secondary School Certificate (SSC) 2013 – 2017

Nasirabad Government High School, Chittagong | Science | GPA: 5.00 / 5.00

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Research Intern, Learnify Research Lab 2026 – Present

- Conducting literature review and research synthesis for a review paper, focusing on key findings, research gaps, and manuscript preparation.

Program Coordinator, IEEE SB GUB 2025 – Present

- Organized 2025 IEEE 7th International Conference On Sustainable Technologies For Industry 5.0 (STI 2025)
- Organized many seminars
- Club activities and contributed to many events

Joint Treasurer, GUCC Virtual Gaming Society 2024 – 2025

- Managed finances for CSE Carnival 2024 and organized the Inter Department Gaming Competition (IDGC)
- Oversaw budgeting and resource allocation for large-scale events

Executive Member, Green University Language Club 2024

- Supported club activities and contributed to language development initiatives on campus

PROJECTS

Federated Learning for Longitudinal Brain Tumor Growth Detection | Python, PyTorch, Flower Framework, Federated Learning, CNN, Medical Image Processing

Academic Project | 2025

- Developed a federated learning-based deep learning system to detect longitudinal brain tumor growth using sequential MRI scans.
- Implemented preprocessing, longitudinal image pairing, federated training with FedAvg, and tumor change segmentation.
- Simulated distributed model training across medical centers to support patient data privacy and collaborative learning.

Thesis Connect: Academic Research Collaboration Portal | HTML, CSS, JavaScript, React.js, Node.js, Express.js, Firebase

Academic Project | 2025

- Developed a web-based academic research collaboration portal to support thesis supervision and management.
- Built features for communication, progress tracking, document sharing, feedback management, and scheduling.
- Improved collaboration between students, supervisors, and administrators through a centralized platform.

Tomato Disease Recognition | Python, Machine Learning, Deep Learning, CNN, Computer Vision, Image Processing

Academic Project | 2025

- Developed an AI-based tomato disease recognition system using Convolutional Neural Networks to detect and classify tomato leaf diseases from images.
- Trained the model on the PlantVillage dataset using image preprocessing and data augmentation techniques.
- Integrated the trained model into a user-friendly interface for instant disease prediction and diagnosis.

ADDITIONAL INFORMATION

Date of Birth: 24 June 2001

Nationality: Bangladeshi

Blood Group: B+

Marital Status: Unmarried

Interests & Hobbies: Travelling, Cricket, Reading, Music, Badminton
